Astro from Peekskill

Contact: 917.273.6607

Location: 306 Lafayette Pl

Date : September 23, 2020

Astro is a medium-sized cat that is a little less than a year old. He is a neutered male. He is silver and dark gray stripped. He has a bushy tail, long ear-hair and fluffy paws. He is very curious, loves high places, but is a little skiddish. Do not chase him, he will hide immediately. His collar came off but he is micro-chipped. He was last seen in our yard at the corner of Lafayette

Place and Simpson Place, but he could have gone to Hudson Ave. We miss him so much, please bring him home.
