Please help us find Bo Bear, a pomeranian and poodle mix, 5 years old, color TAN has a haircut resembles a lion. Not used to being around strangers, but not aggressive.

Got frightened and pulled out of his collar at a park in MONTICELLO BY THE ENTRANCE TO PARK AVE. HE NEEDS HIS HEARTWORM MEDICINE. He was lost on Friday around 5PM. I will offer a $300 reward for anyone finding him and returning him to our family. We are totally heartbroken since we lost his mom and siblings just two years ago. Please, please let us know if he is found. Thank you all from the bottom of my heart.
