**Location: 21 Deer Brook Drive**

**Date : October 7, 2020**

**Little boy got out of the house on Thursday, October 1st around 10am in New Windsor – near Jackson Ave. We saw him once on Thursday evening on our porch but he ran again. We have reason to believe he is still in New Windsor. He is a white cat with black patches. He goes by little boy. If anyone has seen him, please let us know – we are worried sick.**
