LOST PETS of the HUDSON VALLEY

LOST PET

Selah from Beacon (Sponsored by Kimlin Energy)

Contact: 845.219.4365

Location: Wolcott Avenue

Date : April 21, 2021

About 3 weeks ago on Wolcott in BEACON, our cat Selah [in the front] got out. She is in heat and ran out [of course 2 days before her scheduled spaying]. We have looked everywhere for her and cannot find her. She might respond to her name, is very friendly but can be a bit shy. She is about 8-9 lb and could be pregnant at this point. Her babies and my six-year-old son miss her very

much [his cat.] Any whereabouts of our cat, please contact me today. She was last seen on Wolcott Avenue near the Elks Club. Thank you!
