LOST PETS of the HUDSON VALLEY

FOUND PET

Spotted in Milton

Contact: 845-527-3099

Location: 61 Sands Avenue

Date : November 13, 2020

This bedraggled Monk Parakeet showed up at my bird feeder today. They're "Rare" in terms of local bird watching, so I'm assuming it's a lost pet. It flew away into the trees before I could get on my deck to see if it was comfortable around people.
