LOST PET

Buster from Sleepy Hollow

Contact: Deb@mobiusfields.com

Location: Webber Park

Date : June 25, 2017

MISSING in Webber Avenue/Webber Park area: Our much beloved kitty, Buster. He's a smallish ginger guy, very gregarious. He's older so probably doesn't go too far from our home between the aqueduct trail and Webber Avenue.

Please check your closed garages or other spots where he could get trapped.
