Our cat, Hue, jumped out of the vets arms when we tried to hand him over in the Middletown Orange County Animal Emergency Service place. He ran up the hill towards the woods and motel behind the Vet building. We are concerned because he is on three good legs, with one injured. Our family would really appreciate your help in any effort you can give. We lost him from

the Animal Emergency Service building at 517 NY-211, Middletown, NY 10941.
He is now by the motel at:
501 NY-211 E, Middletown, NY 10941.

IF SEEN, HE WOULD PROBABLY BE LIMPING DUE TO INJURED LEG.
