LOST PETS of the HUDSON VALLEY

LOST PET

Fuz from Saugerties (Sponsored by Kimlin Energy)

Contact: 918-260-2603

Location: Malden Travel Plaza

Date : January 7, 2021

Lost at Malden Travel Center, slipped collar, so No Tags. Rabies vaccination is up to date. Female longhaired Anatolian Shepherd, 85 lbs tan with black mask. She headed East, but that could change depending on what else may have scared her. Please Do Not Chase, call 918-260-2603. Please put some food out, so she hangs around until I get there. Thank you!
