LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Montgomery (Sponsored by Kimlin Energy)

Contact: 845-820-1438

Location: 17k

Date : February 9, 2021

Cat has recently showed up on 17k about a month ago. Was just able to catch it and is very timid and appears to not have been around people or other animals. Unsure if it belongs to someone or has been an outside cat.
