Location: Lacrosse Rd

Date : July 12, 2021

My grandmother's cat has been missing from her home near Ponderosa Rd and Lacrosse Rd in Carmel NY, 10512, since July 2nd 2021. She is allowed outside but doesn't usually stay out at night. A little on the chubby side, she is usually very friendly and loves her treats. She has beautiful green eyes and white hair sticking out of her ears. She hates dogs and will either run or attack

one if she feels threatened. She is microchipped with a HomeAgain chip and has been reported as missing. She is very loved and her son, who also lives with her misses her very much. Please help us bring her home.
