LOST PET

Daisy from Poughkeepsie

Contact: 845-453-8487

Location: 109 Delafield St.

Date : July 5, 2017

Daisy was last seen on the Morning of 6/27/2017 at 109 Delafield St. She would regconize my car, family and I. She likes to be outside so she may have been mistaken as a stray. Daisy usually finds her way back home. I'm very worried and I'm hope she's being taken care of.
