LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Poughkeepsie

Contact: 2010zhouyang@gmail.com

Location: Violet Ave

Date : July 3, 2017

We found a brown Shiba Inu in our backyard this afternoon. It stayed under the car for hours. It's very calm, not afraid of people, and looks healthy. It has a collar but we cannot get a chance to read the collar. We are around Marist, Poughkeepsie.
