LOST PET

Mickey from Elizaville (Sponsored by Kimlin Energy)

Contact: 518-965-3727

Location: Snyderville road

Date : July 24, 2021

Mickey meows very loudly and sounds like he is in distress but it's how he communicates. He is due for some medication soon. We miss him. ⍰⍰Indoor outdoor cat born in a barn so doesn't like to be stuck inside. Any info would be helpful!
