Location: 8 Lawrence Lane

Date : August 15, 2021

I think she may have slipped out of the door when my husband was leaving. She was last seen this morning Sunday Aug 15, 2021 around 9am in Goshen, off Lawrence Lane and Indiana Rd and off Pulaski Highway going towards Pine Island. I'm out of town and won't be home till Friday but they have looked everywhere, she's an indoor cat. They left her bed in a cage on the porch and

her litter box in hopes she'll return. Please share this and help bring her home. She may or may not have on an orange and pink collar.
