LOST PETS of the HUDSON VALLEY

LOST PET

Linden from NYACK (Sponsored by Kimlin Energy)

Contact: 860-575-4211

Location: 100 South Broadway

Date : September 29, 2021

Linden, our cat, is newly an outdoor cat this year and lately has been venturing further and further. We haven't seen him in 3 days now which is not characteristic. And strangely, we think our neighbor may have taken him to a shelter thinking it was a different cat (although he does not admit this). Please help! He's 10 years old, beautiful gray medium haired cat. Loves to cuddle on a lap.
