ONE-EYED polydactyl black cat still missing since 6 May. We haven't given up finding Feeties. He is an indoor-only cat and we are hoping he's found safely with someone who doesn't know he's a missing pet. He is microchipped. If

you've seen a ONE-EYED black kitty with extra toes (really big paws) please contact us at (253)301-7390.
