Does anyone recognize this cat or is anyone looking for him or her? This cat has been hanging around my property for a couple weeks now. I've seen it many times and on my ring footage in the middle of the night. It is wearing a collar but the collar looks very tight. It is very skittish and I haven't been able to get close enough to assess the sex and collar tightness. He or she is solid

gray and not a very big cat. I am not sure if he belongs to someone in the area or is lost.
