LOST PET

Buddy from Rhinebeck (Sponsored by Kimlin Energy)

Contact: 845.217.7391

Location: 52 South Street

Date : October 16, 2021

Buddy is still missing, but has received two sightings near same area! However, I haven't been able to locate him or confirm that it's definitely Buddy. The sightings are very close to where he was last seen! I have placed more signs and informed some people who seem to live or work close by.

PLEASE HELP.
