# FOUND PET

## Found in Middletown

## Contact: 845.590.1881

**Location: 30 Vincent Drive**

**Date : October 7, 2021**

**This cat has been hanging around my home, Vincent Dr. area of Middletown since July. Lately it has been here day and night. There is a Seresto collar on her. She is insanely friendly. Unfortunately she likes to hang out in my backyard and I have a dog who isn't all that familiar with cats. So now to let my dog out I have to survey my property first as I don't want anything to**

**happen to her.**
