LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Middletown

Contact: 845.590.1881

Location: 30 Vincent Drive

Date : October 7, 2021

This cat has been hanging around my home, Vincent Dr. area of Middletown since July. Lately it has been here day and night. There is a Seresto collar on her. She is insanely friendly. Unfortunately she likes to hang out in my backyard and I have a dog who isn't all that familiar with cats. So now to let my dog out I have to survey my property first as I don't want anything to

happen to her.
