**Asking for help. This sweet neutered, fully vaccinated, microchipped boy is Toby and he's missing. He is a domestic shorthair orange and white cat who is around 14 lbs. He is extremely sweet and although he enjoys going out into the yard, he never stays away for more than a few hours so we are very worried! He was last seen Sunday Aug.1 near the intersection of Ebert Rd and**

**Blumel in the Scotchtown area of Middletown, NY 10941. Please reach out if you think you've seen him! Thank you so much! ????**
