Loki from Kingston (Sponsored by Kimlin Energy)

Contact: 845-303-3328

Location: 140 Wall Street

Date : September 16, 2021

My 3 year old ferret Loki got out of my house accidentally. He is about 4-5 pounds, grey and black. Not neutered. He responds to squeaky toys and raw chicken. He's been missing since September 13, possibly got out on the 12 when someone opened the door.
