LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Middletown (Sponsored by Kimlin Energy)

Contact: 845.283.0193

Location: Middletown dog park

Date : November 27, 2021

This doggy was found at the Middletown Dog park all by himself. No leash or collar. My husband called the town police and they have him now. You can call Middletown Police if this is your pet. Did someone forget to take their friend home after they brought him to the park? Please help me find his family.
