LOST PET

Lola from Verplanck (Sponsored by Kimlin Energy)

Contact: 845.260.3192

Location: 5th Street

Date : December 27, 2021

Lola is spayed, her left ear is clipped. She was last seen wearing a glow in the dark collar with a bell.

Lola was a feral cat before being adopted so she is used to being outside. However she never goes missing or stays out this long. She is a very sweet

girl but will be skittish initially. She loves to eat and will warm up to anyone with a bowl of food. We are very worried about her and want to find her as soon as possible.
