Hi all. Our names are Kim Johnson and Adam Paiva. We have lost our darling puppy named Nadi (pronounced Nah-Dee) near the Neversink River in the Catskills.

For those of you who hike, she went missing by the Biscuit Brook Trailhead.

We were also not far from the Frost Valley YMCA.
She is a red shiba inu, looks just like a small fox.
She has a purple leash attached to her.
She went missing at 3pm today (Sunday Nov 14)
Please help if you think you can!!! Text or call at : 203 623 4548
We will be out searching for her all day tomorrow.
Thank you so much
