LOST PET

Sylvie from Poughkeepsie

Contact: 229.289.2976

Location: Mitchell Ave and Ruppert Ave

Date : November 13, 2021

Sylvie is an indoor/outdoor cat who last went out Thursday evening before the storm and hasn't come home since. She's never typically gone for more than a couple hours so we're very worried! She's microchipped but isn't currently wearing a collar as she recently lost it.
