LOST: Highland Cow (horns, blondish long hair), small young female near Zena Elementary School. Last spotted in woods near WDST off of Rt 28 (ugh!!!). PLEASE CALL DON AT 845-594-4038 OR NANCI 845-663-6279 IF

SPOTTED!! And if you have any cow catching abilities or ideas, please let us know because we are kind of at a loss. She (hopefully) might be making her way back home so PLEASE drive somewhat slow through that area of Sawkill. She is a very timid teenager cow and calling her just makes her run the opposite way, please don't chase just call with spotted location. And keep your fingers crossed for her, her cow and human family want her back home safe and sound!!
