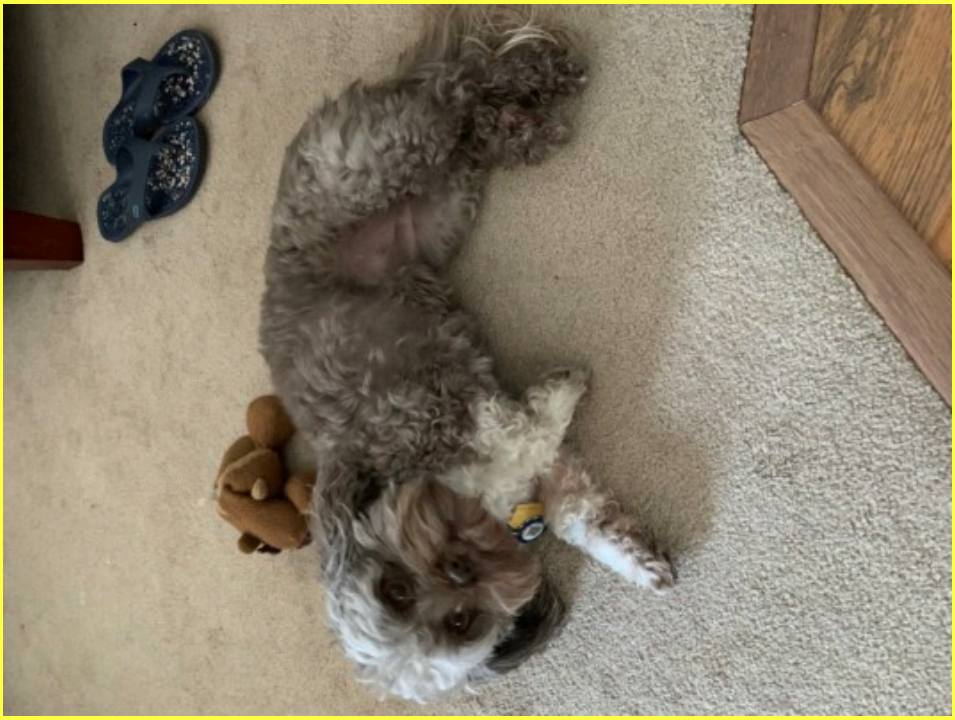
Location: 62 St Andrews Rd

Date : June 11, 2022



Jesse and I were visiting on St Andrews Rd Walden NY on June 2 2022. As I opened the car door she heard pistol shots from a near by pistol range....she ran into the woods. I have not seen her since. She's very friendly. There are

posters all over the Walden area. The picture in the poster shows her as having a white head but she's all brown. White front legs. Looks like a poodle with short curly brown hair.

Please be aware that she may have been picked up and someone is claiming her as theirs.
