Location: 64 Mill Road

Date : July 22, 2022

Small black female indoor cat accidentally got out on Saturday, July 16, 2022. From Mill Road in Hyde Park. Four years old. Adopted from DCSPCA. She is microchipped. Will be very skittish. We are just devastated. Please be on the

lookout for her. We keep searching (posted on social media sites). Thanks so much. ??
