Thomas is a very sweet neutered male cat. We were driving on route 871 near Stewart Airport when I accidentally opened the back window and he jumped out. We were going about 55 mph. We looked for about two hours, but he was

nowhere in sight. He is a big cat 17.2 pounds. PLEASE PLEASE CALL US if you find an injured or safe tuxedo cat in the area. It has 8000 acres and we are feeling hopeless. He comes to calling out “temptations” and “brushy, brushy”.. Reward.
