**Found kitten on our front porch and brought it inside. It came right to us, cuddles and purrs. We live on Ulster Heights Rd near Geiger Road in Ellenville, NY. We fed it, gave it water, towel to cuddle and litter box. If anyone**

**says it's theirs they can call me and give me a description so I know it's theirs. We can keep it 48 hours in our home and then we will take it to the Sullivan County SPCA in Rock Hill on Monday.**
