LOKI (name tag). Very sweet medium-large brown & white dog. Well trained: knows how to sit, stay, shake, lie down. Loki wandered into my yard at 10 Adrienne Lane (near George Sickle Road; Opus 40 not so far away) about 45

minutes ago (5pm on Friday Nov 4). Tried calling the phone numbers on his tag. One was someone in Virginia who had no idea. Left message at other phone #. Loki was very thirsty & hungry. He is calm now.
