Location: 195 RIVERVIEW DRIVE

Date : March 16, 2023

Just came up and barked and scratched at the front door. Came right in when I opened the door. He was very well mannered. His nails were trimmed and he had some hair shaved on his leg, so he's been to the vet. Liked getting pet. Sits immediately for bread and cheese. We hung out till animal control came and got him. He was excited to go for a ride.
