**Location: Maple and Kent Ave**

**Date : May 10, 2023**

**Juvenile female, either in heat or recently gave birth. Very friendly and sweet, but clearly wants to get home.**
**Was wandering our neighborhood asking for help for a day before we took her in (5/4 11pm). She was very hungry but otherwise in good spirits. Going to take her to vet to see if she is chipped 5/5.**
