**My little buddy snuck out this past Saturday morning (Saturday, March 18) and has yet to come home.**

**He's a medium/short hair car, smaller sized, white with large black spots on his back and top of his head.**

**Jack is extremely skittish around unfamiliar people and will likely run if approached. Please try to take a pic and submit it, to confirm it's him.**
**Especially since black and white cats are so common.**

**Thank you!**
