LOST PETS of the HUDSON VALLEY

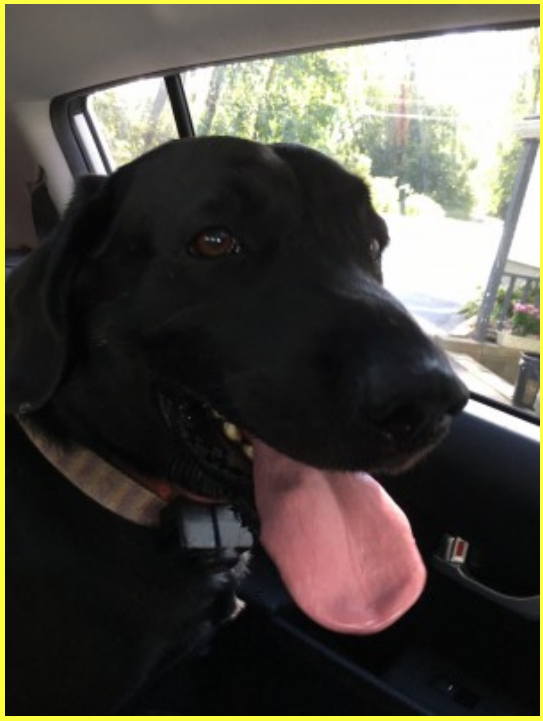
FOUND PET

Found in Pawling

Contact: 347.380.1205

Location: Wikinson Hollow Road

Date : September 26, 2017



Today (September 25), I found a Male Black Lab on Wilkinson Hollow Road. The dog wore a pink striped collar along with either a Bark Collar or Invisible Fence collar. I believe the dog was about 4 or 5 years old. He's very sweet and is trained. FYI: Sat when I told him to sit. He did not have any ID/registration or vaccination tags. I dropped him off at the Pawling Animal Clinic.
