Location: Hammer Drive

Date : December 31, 2023

White and black American bully with two different colored eyes. She is about 90 pounds, she is not very fit so she gets exhausted when outside. She is a very sweet dog and can be approached by anyone. She ran away with our small dog named King. He is very small and brown with light brown spots all over him. If everyone can keep an eye out and contact us if they find them we would really appreciate it.
