Location: 31 south Hamilton st

Date : August 22, 2023

Prince was at my mom's and they let him out, he has been missing for quite some time now. I just found out about this and I'm just gonna try my luck. He's a very small dog and has a collar around his neck with his tag name on it! He went missing around July 2022! He has a short tail and long ears and very pretty teeth!
