Date : July 2, 2024

About 5 weeks ago this little guy was walking along my road. He was thin and tired. He wandered and found a home under my porch.

He is desperately looking to be loved as he is sweet and affectionate and climbs into my lap. He also follows me around the property like a pup.

Unfortinately, I can not take him due to a dog environment.
Can anyone provide him with a loving home.
Kindly DM me if you have an interest.
