LOST PETS of the HUDSON VALLEY

LOST PET

T.C. from Newburgh

Contact: revcsurgenor@onwardever.net

Location: 30 Balmville Rd

Date : September 6, 2017

This morning TC was gone. We moved to this home about 3 weeks ago. TC had just dared to venture out of the house a couple of days ago. He had access to the porch and must have gone out the screen door which has a loose latch. He is used to being an outdoor/indoor cat, but not used to city streets. Lost on Balmville Rd across from Country Club. He responds to his

name.
