We lost our 2 dogs, “”T”” (4 yr. old male) and “”indi”” (2 yr. old female) at 7pm last evening – Wed. Sep 13th from our property at 99 Route 144 in Hannacroix (New Baltimore) near intersection of 9w and Route 144. They are both microchipped but do not have collar tags on. Thank you for your help.
