Date : April 5, 2025

this gorgeous multi colored cat has been coming to us to eat every day for a few days... she seems healthy, playful, affectionate and is wearing a sorresto collar. we would keep her ourselves but our own rescue cat barely tolerates us. does anyone recognize her/him? we will try and find the owner if not will take her to the dcspca. just cannot leave her on the streets. we are in stormville, area of 216.
