Do you know this cat ??

There is a new cat roaming around us here on Lower High Street in Phoenicia. The photo I have posted is of one of mine (Bowser) who is inside and safe and sound. The new cat roaming around is an exact doppelganger (twin) of my guy but he is wearing a white flea collar. He (or she) will not come to me

but doesn’t seem feral. Maybe you recognize this cat ? Know who it might belong to ? Please post me back if you do. I’ll post on Nextdoor & Facebook. Thanks
