Remy slipped through the broken window screen, unbeknownst to me. I saw him running into the woods behind my house. He stopped when I called him, but decided to keep going. He's strictly an indoor cat that is extremely shy and noise-sensitive. Remy is 2 yrs old. Doesn't like fishy wet food, excuse me!

Loves to play and chase, loves eating the flies and spiders that dare enter our house. I miss him terribly, as does Boomer, Ruby, Finn, and Sweetie (no, Sweetie doesn’t miss him, I fibbed)
