LOST PETS of the HUDSON VALLEY

FOUND PET

Found in Athens

Contact: fariy_ponies@yahoo.com

Location: Stewarts on 385

Date : November 27, 2017

Stopped at the Athens NY Stewarts tonight (11-27-17) and there is a very friendly male cat sitting on the side of the building meowing at everyone who passes him. I brought him out a can of food which he quickly started eatting. Not sure if he's a friendly neighborhood stray, lost, or just hanging around Stewarts to get some free food, haha.
