Hello, my fiance and I found this cat in Sherwood Forest at Chelsea Ridge in Wappingers Falls. We did not check the gender. It had bite marks and scratches on its head and neck, but it was very friendly and came right up to us and our dog. A passerby said it had been hanging out in the same area for multiple days and it might've been abandoned. We brought it to Mid-Hudson Animal Aid tonight. We wanted to post here just to make sure someone wasn't

looking for him/her.
