If anyone sees a black dog in pine hill that's wondering around please let me know as soon as possible. We let her out at 12:30 and 8 minutes later we couldn't find her. She's a large older dog who is super sweet and would never hurt anyone! She looks a lot like a black lab. Her name is Ruby and she doesn't have a collar but she has a big red shirt on.
Thank you.
Also wanted to add that she never leaves the property and this is completely random. Leads us to believe someone saw her maybe by the road and took her in because of the temperature.
