**Our sweet cat Penny is missing – if anyone has seen her. She is a friendly tuxedo cat. We are on Miller Hill in Hopewell Junction. She has been missing since Weds evening. She is an indoor/outdoor cat. She hasn't returned yet which makes us a bit nervous since it's not like her to not come home sooner. She is around 10 years old. She loves treats, she might come to you if you call her by her name. She has a small little nip on her ear, it's tiny. She has a flea**

**collar on like in the picture.**

**She might went in the direction of woodmont. I know the weather has been nicer this week so the cats could be exploring but this is the longest she has been out. She is very smart and curious. If any one has seen her or sees her please give me a call – 646-464-4368**
