LOST DOG!!!! MONEY REWARD if found.

Medium sized brown and black female mix. Stocky body, giant ears, goes by the name Squirrel or Squirrely.
Last seen 20 hours ago at Glasco turnpike, between ricks lane and upper byrdcliffe, headed toward the mountain. She escaped with her dog sister who

we found at 3am on upper byrdcliffe road near Webster road. She is lost, scared, and possibly injured- she would have been home already otherwise. She is very sweet but can be apprehensive around people she doesn't know, especially when scared.
She has a collar but no id tag.

Please contact me here or 918-671-5908 with any Information, sightings, etc.
Thank you, Woodstock.
