This adorable Gray KITTY approached me while I was walking in the neighborhood behind Kelta, the Spa in Beacon on Route 52.

He was meowing loudly, approached me and was very friendly, asking for pets and rubbing against me. There were a few houses around a small cul de sac, but I didn't talk to anyone / wasn't able to ask if he belongs to anyone.

He’s definitely skinny and scruffy, and was not wearing a collar, so could be a stray. Posting here to see if anyone recognizes him or what would be a good next step to help him? ⍰⍰
